PROPERTY DIVISION

We are highly experienced in representing independent and dependent special districts in all aspects of the law throughout Florida. Our local government attorneys have had the unique experience of creating special districts, as well as acting as the general counsel for such districts. In addition, our public finance attorneys have extensive experience in assisting with the complexities of preparing and issuing bonds that are necessary to fund the capital improvement needs of the districts. We also are well equipped to handle any regulatory and compliance issues, draft and negotiate every conceivable contract a district may need, and defend a districts actions, when needed.
